Part I. GENERAL EXPECTATIONS

The North Bolivar Consolidated School District agrees to implement the following requirements in accordance with section 1116 of Every Student Succeeds Act (ESSA) as listed below. North Bolivar Consolidated School District Schools will distribute this policy to parents of students participating in the Title I program.

The school district will put into operation programs, activities and procedures for the engagement of parents in all of its schools with Title I, Part A programs, consistent with section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities and procedures, including the process of school review and improvement under section 1116, will be planned and operated with meaningful consultation with parents of participating children.

Consistent with section 1116, the school district will work with its schools to ensure that the required school-level parental involvement policies meet the requirements of section 1116(b) of the ESSA, and each include, as a component, a school-parent compact consistent with section 1116(d) of the ESEA.

The school district will incorporate this district wide parental engagement policy into its LEA plan developed under section 1112 of the ESEA.

In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, the school district and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESSA in an understandable and uniform format and including alternative formats upon request and, to the extent practicable, in a language parents understand.

If the LEA plan for Title I, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, the school district will submit any parent comments with the plan when the school district submits the plan to the Mississippi Department of Education.

The school district will engage parents of children served in Title I, Part A schools in decisions about how the one (1) percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than ninety-five (95) percent of the one (1) percent reserved goes directly to the schools.

The school district will provide such other reasonable support for parental engagement activities under section 1118 of the ESEA as the parents may request.

The school district will be governed by the following statutory definition of parental involvement, and expects that its Title I schools will carry out programs, activities, and procedures in accordance with this

definition:

Parental engagement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:
